What Sort of a Mother?
 A baby girl lost her mother at birth. When she grew up she met her mother's best friend and eagerly put to her the question, "What sort of a woman was my mother?"

"If you could choose, what sort of a woman would you like your mother to have been," asked the mother's friend.

The reply was a beautiful picture of womanhood. Admirable in mind and heart and character.

"Is that the kind of a woman your children's mother is?"

That was a new thought. We cannot choose our own parents but we can determine the sort of a mother our own children shall have.

TO ALL THE PUBLIC

I hereby declare that the scandalous report that has been spread around to the effect that my wife proposed to me or coaxed me to marry her is false and without foundation. Also that she attempted to obtain mother's property in her name is a lie. JACK RAY. Pd. ad

Harding and Coolidge AND Good Government

TO THE AMERICAN VOTER:

Are you satisfied, even content, with existing conditions of life?

Of course you are not.

You are burdened with taxation and the high cost of living.

For everything entering into your daily life you are paying an abnormal price—an unprecedented price.

Why?

Largely, if not altogether, because of the extravagance of government at Washington—because of padded payrolls—because of colossal waste following the war—because of looseness, laxity, inefficiency and incompetency in handling the country's affairs.

You are paying the bills for all this—you, Americans, men and women, who make up the good citizenship of this nation.

You are paying, and paying dearly, for all this.

Your Liberty Bonds—those I. O. U's of Uncle Sam—in which you invested so proudly, so generously, so patriotically, to help win the war, are today below par. You made sacrifices, some of you, most of you, to buy them, and now, with the war long over, but with peace not yet fully established, you must make further sacrifices, if compelled to sell those Liberty Bonds, in order to meet the abnormal conditions confronting you and entering into your daily life at every turn.

Think of the tragic climax thus put upon your patriotism!

WAR MEANS WASTE. WAR IS WASTE. BUT WAR WASTE SHOULD HAVE ENDED WITH THE ENDING OF WAR. It did not end then—it has not ended. It has gone on prodigally—shamefully. And you, long-suffering American citizens, are paying the bill—paying in taxes and high cost of living the price of it all.

Is it not time to call a halt—high time?

A Republican Congress curtailed governmental extravagance to the extent of TWO BILLIONS or more—reduced the department estimates to that extent in spite of the resistance and obstruction of the Wilson Administration. Think of that! But that was just the beginning of retrenchment and reform which cannot be effected fully until the Executive and Legislative departments of the government are working together efficiently and in unison to bring about retrenchment and reform. And this means A COMPLETE CHANGE AT WASHINGTON—the substitution of efficiency for inefficiency, capacity for incapacity, all along the line.

Then, and then only, will you be relieved of the burdens you are carrying today.

You are hearing talk about America's duty to the world. Much of it is intended solely for campaign purposes and is as full of deception as the cry, "He kept us out of war," the Democratic slogan of 1916, when the Administration at Washington knew full well that no power under Heaven could keep us out of war, and that, in fact, at the very moment, when an election was being scantily won by false pretences, the Nation was even then virtually at war.

America do her duty to the world!

When, pray, did America ever fail to do her duty—her full duty—in any crisis or contingency affecting mankind? Never!

And America can be counted upon as confidently in the future as she has been counted upon in the past.

AMERICA IS A DUTY DOING NATION. Any suggestion to the contrary—whatever the individual view as to the adjustment of world affairs, whether through a League of Nations or not—is an affront to every true American and must be dealt with as such.

The Republican Party pledges you Good Government. It pledges to you efficiency, economy, courage and the square deal. It pledges you an American government—the sort of government that a long and illustrious line of Republican Presidents have given this Republic.

DO NOT ALLOW YOUR COMPLETE CONFIDENCE IN THE RESULT TO KEEP YOU FROM THE POLLS ON ELECTION DAY.

Do your duty as a citizen—an alert, wide-awake, American citizen—just as America has ever done and will continue to do her full duty as a nation, and thus will you help to put your Uncle Sam's house in order.

Vote for HARDING and COOLIDGE and a REPUBLICAN CONGRESS on November 2, and all will be made well.

HARDING and COOLIDGE MEAN GOOD GOVERNMENT.
 And GOOD GOVERNMENT is what we all need and must have.

REPUBLICAN NATIONAL COMMITTEE

Capital and Industry, Keep Out!

COULD YOU, AS A PATRIOTIC CITIZEN OF OREGON, PLACE SUCH A

SIGN ON THE BORDERS OF THE STATE?

That is exactly what you will help to do if you do nothing to prevent the passage of measure No. 315 on the November ballot entitled, "Constitutional Amendment Fixing Legal Rate of Interest in Oregon."

This measure proposes to limit the rate of interest in Oregon to 5 per cent. You can, by law, fix the rate of interest in Oregon, but you cannot, by law, force the loaning of money in this state, when a much higher rate can be secured elsewhere. The passage of this measure would force the withdrawal of the millions of foreign capital which is today loaned in factories, business and real estate in the state and send your local money owners outside of the state to better investments.

Passage of this measure would mean foreclosure of thousands of mortgages; would result in financial paralysis, and would mean widespread unemployment.

You, no doubt, understand the viciousness of this measure, but have you talked to your neighbors and friends about it? We urge you to do everything you can to defeat this measure. Oregon's reputation as a sound state for investment requires that this measure be overwhelmingly defeated.
